Dear Dr. Lederberg:

I appreciate your permission to use the information that appeared in the San Francisco Chronicle on "Things We Know Nothing About". You indicated that you would appreciate a copy, and a copy of the release as sent to our Extension Service is enclosed.

When you gave me permission to use the original article that I asked you about, you furnished me additional information that you had published. I am taking it for granted that by your sending this information to me, you are allowing me the permission to use it providing I give you credit.

Very truly yours,

Loyd L. Stitt
